higher salaries for
STEM careers over
non-STEM peers

TOP-TIER PROGRAM

Eastern Nazarene College's Physics and Engineering degree program has emerged as a top-tier academic program. Many of our graduates are recruited by top graduate schools and Ivy League programs or enter the workforce in promising STEM careers.

STUDENT RESEARCH

The extensive earthquake forecasting research I was involved in for my senior thesis at ENC with Dr. Cornely helped me realize that I can continue to impact the world after I graduate.

– Weston Jordan '14
