Evaluation

For each item below, please rate your experience by putting an "X" in the appropriate box

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Adequate supervision at the internship site					
I was given clear assignments / projects by my site supervisor					
Duties assigned that were consistent with my abilities					
I had a site supervisor who respected my other academic responsibilities					
I was given adequate feedback from my site supervisor on my internship performance					
My fellow co-workers who were cooperative and helpful					
I was given a challenging internship experience					
I exhibited professionalism in my appearance, behavior and attitude					
I had an opportunity to use my academic training					
The internship helped me learn new professional skills					

I had an opportunity to develop/improve my human relations skills					
I had an opportunity to develop/improve my communication skills					
I had an opportunity to use critical thinking skills					
The journal and portfolio requirements were reasonable					
I would recommend this internship site to other students.					
I would like to continue working at this site					
I made good contacts for future job searches					
I had a positive experience working with my internship faculty supervisor at ENC					
I had a positive experience working with Brickley's Career Services					
I am better prepared to pursue a career in the field because of this internship					

Overall Rating for Internship (Choose One): Poor Fair Good Excellent

What were the best parts of the internship?

What were the most challenging (or difficult) parts of the internship?

Please provide comments or suggestions for improving the Internship Program:
